**PRIYANSHI CAREER FOUNDATION** had founded in 2009 specially for provide best computer education for the region of GIR SOMNATH district. So the girls will get good job in the IT Sector and will connect with world.

Presently we are working for the students who are badly need computer education Specially for village students.

We provide them computer Education ,basic English education, soft skill, personality development and many other courses related computer.

In 2017 we had launched a project for the girls and boys both, our institute provided them up to 50% discount in each course for the students whose family's income is limited. By this project more than 1500+ students get good benefit provided by us.

In year 2019 we provided free course of 3 months for the Collage students . By this course 300 students got good benefit During COVID-19 our institute provided online computer education for students and they got good job during Covid-19 by CCC certificate Provided by our institute For that time we collected fees from the students and donated this for pandemic covid-19.

Presently our aim is to connect girls and the students with this Technological world we wanted to give them computer education around 10,000+ girls who come from the rural area or the girls whose economical condition is really poor to get good education. We will provide them computer education, basic English, soft skill, personality development and so more.
